

Retrieval Mode

```
graph TD; A([Retrieval Mode]) --> B[Notify Data Size]; B --> C[Send Data]; C --> D([End]);
```

A vertical flowchart with four steps. The first step is an oval labeled 'Retrieval Mode'. An arrow points down to a rectangular box labeled 'Notify Data Size'. Another arrow points down to a second rectangular box labeled 'Send Data'. A final arrow points down to an oval labeled 'End'.

Notify Data
Size

Send Data

End
